1.2 Weitere Möglichkeiten

Das ist der Text, welcher zitiert werden soll (**einstein**)

Using `biblatex` you can display bibliography divided into sections, depending of citation type. Let's cite! The Einstein's journal paper (**einstein**) and the Dirac's book (**dirac**) are physics related items. Next, *The L^AT_EX Companion* book (**latexcompanion**), the Donald Knuth's website (**knuthwebsite**), *The Comprehensive Tex Archive Network* (CTAN) (**ctan**) are L^AT_EX related items; but the others Donald Knuth's items (**knuth-fa**; **knuth-acp**) are dedicated to programming.
